

### OAKTON pH-Meters

#### Acorn® series

- Easy to use
- Three-point pH calibration with buffers solutions
- Automatic temperature compensation
- Ranges : 0.00 to 14.00 pH, 0.0 to 100.0° C and -1000 to +1000 mV (pH 6 only)
- Accuracy ±0.01 pH, ±0.5° C and ±2 mV
- Protective boot included

Code	Description	Price
WD-35613-00	Model pH5 with pH electrode and temperature probe	\$ 336
WD-35613-10	Model pH6 with pH/mV electrode and temperature probe	\$ 376
WD-35613-70	Model pH5 KIT with pH electrode and temperature probe, "singles" buffer pouches and rinse water, 3 sample bottles, squeeze bottle all in a hard carrying case	\$ 424
WD-35613-72	Model pH6 with pH/mV electrode and temperature probe "singles" buffer pouches and rinse water, 3 sample bottles, squeeze bottle, all in a hard carrying case	\$ 464

#### Waterproof model pH300

- PH meters with a superior waterproof housing... And they float!
- Push-button pH calibration at five points (1.68 - 4.01 - 7.01 - 10.01 and 12.45)
- Selectable manual or automatic temperature compensation
- Memory : 16 sets (pH300) or 50 sets (pH310)
- Ranges -2.00 to 16.00 pH, 0.0 to 100.0° C, -2000 to +2000 mV
- Accuracy : ±0.01 pH, ±0.5° C, ±0.2 mV ±199.9 mV and ±2 mV > ±199.9 mV
- All-in-one combination pH/temperature probe

Code	Description	Price
WD-35618-03	Model pH300 with all-in-one probe	\$ 720
WD-35618-13	Model pH310 with all-in-one probe	\$ 816
WD-35618-70	Model pH300 KIT with all-in-one probe, 5 "singles" buffer pouches and rinse water, 3 sample bottles, rinse bottle, batteries, two electrode holders and hard carrying case.	\$ 832
WD-35618-72	Model pH310 KIT with all-in-one probe, 5 "singles" buffer pouches and rinse water, 3 sample bottles, rinse bottle, batteries, two electrode holders and hard carrying case.	\$ 920

### AMPROBE Advanced Digital Recorder

#### Model DM-III, CAT III

- Comes as a complete kit, CT's and PC software are included with this product
- Works with single and three phase systems, 0 to 600 V; 5 to 1000 A
- Detects and records voltage anomalies, sags and surges
- Built-in scope displays waveforms
- Records up to 64 parameters (single or three phases) simultaneously
- Power factor and energy (W, VAR and VA)
- Harmonics up to 49<sup>th</sup>
- Phase sequence indication
- Frequency measurement 57 to 63.6 Hz and 47 to 53 Hz
- Complete with soft carrying case, 12 Vdc power supply, 1000 A/1V clamps, test leads with alligator clips (4), software and cable, manual

Code	Description	Price
DM-III	Complete digital recorder/data logger	\$ 6275.65
ACF-3000SR	3000 amps optional flexible current transducer current measurement from 15 A to 3000 A for each of the three phases, up to 7" in diameter	\$ 1132.37

### IMADA Mechanical Force Gauge

#### FB/PS series

- Push/Pull measurement
- Ergonomic heavy duty metal housing
- Overload capacity 165 lbs on all ranges
- Accuracy : FB : ±0.3% FS and PS ±0.1% FS
- Complete with carrying case and standard accessories

Code	Price
Series FB	\$ 663
Series PS	\$ 724
Handle OH-1	\$ 154

Pounds		Kilograms		Newtons	
Model	Resolution	Model	Resolution	Model	Resolution
FB-32oz	0.25 oz	FB-1KG	10 g	FB-10N	0.1 N
FB-2	0.02 lb	FB-2KG	20 g	FB-20N	0.2 N
FB-5	0.05 lb	FB-3KG	25 g	FB-30N	0.25 N
FB-10	0.1 lb	FB-5KG	50 g	FB-50N	0.5 N
FB-20	0.2 lb	FB-10KG	100 g	FB-100N	1.0 N
FB-30	0.25 lb	FB-20KG	200 g	FB-200N	2.0 N
FB-50	0.5 lb	FB-30KG	250 g	FB-300N	2.5 N
FB-100	1.0 lb	FB-50KG	500 g	FB-5000N	5.0 N

### IMADA Digital Force Gauges

#### DPS series

- Push/Pull with RS232, digimatic and analog outputs
- Ergonomic, heavy-duty metal construction
- Overload capacity 200% FS
- Lb, Kg and Newton units are push-button selectable
- Accuracy ±0.2% FS ± 1 LSD
- Complete with carrying case, AC adapter/charger and standard accessories

Model	Pounds (oz)	Kg (g)	Newtons	Price
DPS-0,5	8.819 oz (0.01)	250.0 g (0.1)	2.452 N (0.001)	\$ 917
DPS-1	17.64 oz (0.01)	500.0 g (0.1)	4.903 N (0.001)	\$ 917
DPS-4	4.409 lb (0.001)	2.000 kg (0.001)	19.61 N (0.01)	\$ 917
DPS-11	11.02 lb (0.01)	5.000 kg (0.001)	49.03 N (0.01)	\$ 917
DPS-44	44.09 lb (0.01)	20.00 kg (0.01)	196.1 N (0.1)	\$ 917
DPS-110	110.2 lb (0.1)	50.00 kg (0.01)	490.3 N (0.1)	\$ 917
DPS-220	220.5 lb (0.1)	100.0 kg (0.1)	980.6 N (0.1)	\$ 1302
Handle OH-1				\$ 154

#### Model DM-II Pro

- Works with single and three phase systems, 0 to 600 V; 1 to 1000 A
- Records all parameters simultaneously
- Measure TRMS
- Power factor and (W-VAR-VA) and energy (W)
- Complete with hard molded carrying case, 12Vdc power supply, 1000 A/1 V clamps, test leads with alligator clips (4), software and cable, manual

Code	Description	Price
DM-II	Complete digital recorder	\$ 4853.94
ACF-3000DM-A	3000 amps optional flexible current transducer current measurement from 30 A to 300 A or 300A to 3000A for each of the three phases, up to 7" in diameter	\$ 1132.37
